

Piece of Pie Does Its Bit to Aid Fund

Impromptu Auction Nets \$5.25 for Tobacco to Be Sent Overseas.

BENEFIT PARTY FRIDAY

Sale Will Be Feature of Entertainment Planned to Raise Money.

A piece of pumpkin pie did its bit for The Sun Tobacco Fund yesterday and in to-morrow's list of new contributions will appear one item of \$5.25, and this is how it happened:

Five men at lunch called for pumpkin pie. There was not enough to go around, so the suggestion was made that what there was available should be sold at auction and the proceeds donated to The Sun Smoke Fund. The first bid was 50 cents. This was raised and when the last bidder had paid for his right to bite into the pastry the fund had been benefited by the amount named above.

Next Friday night the party for the smoke fund at the Pre-Catalan restaurant will be held. This was postponed a week on account of illness. All the performers who volunteered and whose names have been announced will appear at the show on Friday. The regular entertainment will be given with many additional features. Two orchestras will play for dancers.

Several valuable gifts have been sent to the fund in care of Manager William H. Barnes. These will be sold at auction for the benefit of the fund.

Thanks From Non-smoker.

Mrs. Gregory, one of the fund's contributors, has received this message from Aaron W. Miller, 100 E. 36th St., Chicago Transportation Co.: "I do not smoke, so passed the tobacco over to a comrade who smokes like a furnace when he has anything to light up. He had been in the dumper for week because he hadn't a puff. You can imagine how nice was our surprise when we got to him first one of distilled in his good fortune and next a kind of miserly joy. Yes, he looked like a miser who has found a piece of gold. I was happy to be the instrument for you in presenting him with this testimonial of your thoughtfulness."

Supply Sergeant Herschel Jones of Company A, 51st Pioneer Infantry, sent to Edward A. Le Roy, a donor: "After having enjoyed to its fullest extent your grand donation of tobacco through The Sun fund I was pressed to send back word of our grateful feelings and hope you will not be surprised. Many thanks, but cannot express our gratitude and we wish all future happiness shall be yours."

From a convalescent camp in Meves, France, comes this card: "The tobacco sent over by The Sun arrived here O.K. and all the boys are smoking up to that newspaper. Please accept the thanks of all the boys in uniform here."

Send a Pic for a Letter.

Bernard Smith, who is in Base Hospital No. 85, wants a letter from the States because he has not heard from anybody for months. He has received some Sun tobacco, and sends his plea to the donor with thanks and hopes.

From a Field Artilleryman.

Fifty-fourth Brigade Twenty-ninth Division, describes himself as a bachelor and hopes that Hazel McFarlan, a donor, will make a note of the fact. He thanks her for her donation to the smoke fund, which enabled him to try again some good "oldsmobile" cigarettes, and adds his address in such detail that there can be no chance of a letter to him going astray.

"Oh, for a smoke that was all rolled up ready to smoke! That has been my cry ever since I came over here, but it has not been frequently answered. Now here in Germany on the first of the new year, I am still without a smoke and so saying that I am happy and grateful is to put the feeling mildly." This came from Private Earl Garout.

From Closets, Germany, comes this card signed by Sergeant James Dunnaway, Company D, Fourth Ammunition Train. He had come to the sun smoke fund of The Sun while I was on the Arras front. It lasted me while on the way to Germany and I have a little left. We are expecting to be sent home as soon as relieved, and I shall be glad to start back. I am a New York boy and am longing to see old New York.

Fund Donors Are Thanked.

Pat Watson, a faithful friend of the smoke fund, has received a card from "Just a Private of Company C, Fifty-sixth Infantry," who says there is nothing like a real American smoke and that the kind of tobacco sold in Germany would make a dog laugh.

John H. Jones, First Sergeant of Company L, 51st Infantry, and Mrs. Sergeant A. Spangler of the same regiment, join in a message to the New York Yacht Club, thanking it for tobacco received in Margus, France, and telling of the pleasure and comfort it afforded them.

Sergeant G. A. Wood of Battery B, 11th Field Artillery, who was in Base Hospital 44, sends this message to the members of the New York Stock Exchange: "On behalf of the boys in this ward I wish to thank you for your donation. You may rest assured the tobacco was greatly appreciated by us all. Let us hope to meet again when we can hope to get from the dear old U. S. A. and when we get either our day in hospital is like a day of freedom. You may imagine how we dance (or would we could) when they both arrive together."
